

Utility Arbor 3 Ton

SAFETY

This is the safety alert symbol. When you see this symbol on your press, be alert to the potential for personal injury.

Follow recommended precautions and safe operating practices.

Carefully read all safety messages in these instructions and on your press safety signs. Keep safety labels in good condition. Replace missing or damaged safety labels.	This machine is intended to be operated by one person. This person should be conscious of the press ram movement not only for themselves but also for persons in the immediate area of the machine.	Under no circumstances increase the leverage ratio of the press by using a longer handle or by placing a pipe over the handle. Never hammer on top of the ram.
